WORK EXPERIENCE

Co-Founder & Team Leader

Disol Startup [1 May 2024 – Current]

City: Ouargla | Country: Algeria

As Co-Founder of DISOL, I lead a team dedicated to creating tailored digital platforms for startups and established companies, helping them innovate and streamline operations to drive growth and efficiency.

Software engineer

Skate Consult Company [1 Jan 2024 – 2 Sep 2024]

Country: Algeria

I worked with Skate Consult company, where I developed and launched their official platform. The site features a secure, multilingual interface and a comprehensive dashboard for efficient content and user management. The second version is now live, and I'm proud of the successful collaboration with Fouzia BENMADI.

Explore it here: <https://skate.dz>

Full-stack web Developer

Dzdicom Startup [1 May 2024 – 21 Jun 2024]

Country: Algeria

as a freelancer I created a platform for Dزيدcom Stratup that connects clients and freelancers, focusing on a seamless user experience with secure communication, project tracking, and efficient collaboration
preview: <https://dzidcom.com/>

Web developer

Scs Tawassol Sihi Startup [1 Jun 2024 – 1 Aug 2024]

Country: Algeria

As a freelancer, I developed **Tawassol Sihi**, a health-focused resource platform providing accessible information and support to users (<https://scs-tawassolsihi.com/Home>).

Frontend Developer

Cntic Club [1 Sep 2022 – 1 Apr 2024]

City: Ouargla | Country: Algeria

In the CNTIC club's IT team, I helped launch **Info Solutions**, a platform supporting students with math tools for Linear Programming, Probability, and more (<https://info-solutions.cntic-club.com/>). We also built the club's portfolio site to keep members updated and engaged (<https://cntic-club.com/>)
